Re: Paddles Up Niagara '07

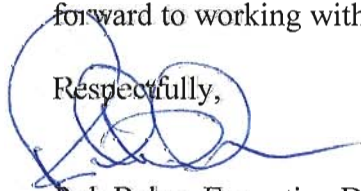

Dear Ms. McManus:

The Niagara River Greenway Commission would like to thank you and your organization for their contribution to the success of the Commission's second annual "Paddle Up Niagara". With a total registration of 235 participants and 203 water-craft, almost double from our first event, we could not have been successful without your help.

We are beginning to re-cap the event from this year and looking towards next year. If you can offer some insight as to how we can improve the event for next year we would welcome your comments.

Once again thank-you for your participation in "Paddles Up Niagara 07" and we look forward to working with you in the future.

Respectfully,

Rob Belue, Executive Director  
Niagara River Greenway Commission

Paul Leuchner, Event Chairman
